RSP E-Newsletter-3rd Quarter 2016 - metal news delivered exclusively to RSP nation.....

• **New Color offering: Burnt Rust**

- For those looking for the richness of rustic steel, RSP has inventory of Burnt Rust.
- Profile offering: **Loc-Rib™** (Concealed fastener) & SL-15 (Concealed clip).
- RSP's Tough Bond 3000 paint warranty provides 40 years of protection with energy saving "Cool" reflective pigments.
- Material spec: 24 Gauge x Grade 50 (Color samples available)
- The options are endless, limited only by your imagination - roofing, interior or exterior wall panel, wainscot or creative flashing designs.

• **Customer Service: Francisco Gonzalez**

○ We're pleased to announce that Francisco Gonzalez has joined the RSP customer service sales team. Francisco has previous experience in roofing and hardwood flooring. Please join us in welcoming Francisco to his new position with Rolled Steel Products.

• **New to the sales counter:**

- In the name of safety, RSP now has inventory of safety glasses (tinted) and cutless gloves.

- Just a reminder - Paint Pens are now stocked in all RSP colors (excluding Burnt Rust).

• **Pricing:**

- Our last price adjustment went into effect August 8th, prices appear (RSP Code 2016) to be stable for the interim.
